Dear Sir:

On February 9, 2004, a Notice of Allowance was mailed regarding the above-mentioned application. While Examiner Shah later informed the undersigned to ignore the Notice of Allowance since it was sent in error, the Notice of Allowance did include a statement of reasons for the allowance of the claims. Applicant traverses the statement in that there are broader and other

reasons why the claims are allowable over the prior art.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "J.C. Freeman", is written over a horizontal line.
